Section-by-Section Explanation .....	8

BACKGROUND

Over the past five decades, a substantial amount of legislation has been enacted related to national and commercial space programs (see, e.g., National Aeronautics and Space Act of 1958; Commercial Space Act of 1998). In the United States Code, some of these provisions have been classified to title 42 (Public Health and Welfare) and others have been classified to title 15 (Commerce and Trade). No distinct title for national and commercial space programs exists in the United States Code because the organizational scheme for the Code was originally established in 1926, before such programs were contemplated.

The bill gathers provisions related to national and commercial space programs and restates these provisions as a new positive law title of the United States Code. The new positive law title replaces the former provisions, which are repealed by the bill.

The bill was prepared by the Office of the Law Revision Counsel as part of the Office's ongoing responsibility under section 205(c) of House Resolution No. 988, 93d Congress, as enacted into law by Public Law 93-554 (2 U.S.C. 285b), "[t]o prepare, and submit to the Committee on the Judiciary one title at a time, a complete compilation, restatement, and revision of the general and permanent laws of the United States".

CONFORMITY WITH ORIGINAL INTENT

The bill was prepared in accordance with the standard for codification legislation set forth in section 205(c)(1) of House Resolution No. 988, 93d Congress, as enacted into law by Public Law 93-554 (2 U.S.C. 285b(1)), which provides that the restatement of existing law shall conform to "the understood policy, intent, and purpose of the Congress in the original enactments, with such amendments

and corrections as will remove ambiguities, contradictions, and other imperfections”.

In restating existing law, the bill consolidates various provisions that have been enacted separately over a period of many years. To restate these various provisions as a cohesive unit, it is necessary to make changes in organization, style, and terminology. In addition, the bill eliminates obsolete language and corrects errors in the law. The changes in existing law made by the bill are purely technical in nature and do not impair the precedential value of earlier judicial decisions or other interpretations.

The following authorities are relevant to an interpretation of the general intent of codification legislation:

*Finley v. United States*, 490 U.S. 545, 553–555 (1989).

#### DISPOSITION TABLE

The table below shows a disposition for each section of the United States Code affected by the bill. In addition, with respect to provisions of law set out as notes in the United States Code, the table shows a disposition for each provision repealed by the bill.

Where the disposition column shows a title 51 citation, it means the provision of law classified to the former United States Code section is being restated and reenacted as part of title 51 by section 3 of the bill. The provision is also included in the Schedule of Laws Repealed in section 6 of the bill.

Where the disposition column shows “Repealed ...”, it means the provision of law classified to the former United States Code section (or note) is being repealed by section 6 of the bill, without being restated and reenacted as part of title 51.

Where the disposition column shows “Not repealed but omitted from text of title 51”, it means the provision of law classified to the former United States Code section is not being repealed, or restated and reenacted as part of title 51, by the bill. After enactment of the bill, the Law Revision Counsel of the United States House of Representatives will determine whether the provision is to be editorially eliminated from the United States Code or reclassified to a new section or note. In any case, the provision will remain in force.

Chapter 3 of title 51 restates the National Aeronautics and Space Act of 1958. Although short titles are generally eliminated as unnecessary in positive law titles of the United States Code, in this case it was suggested that the short title “National Aeronautics and Space Act” be provided for convenience.

SECTION 302

<i>Revised Section</i>	<i>Source (U.S. Code)</i>	<i>Source (Statutes at Large)</i>
302 .....	42 U.S.C. 2451.	Pub. L. 85-568, title I, § 102, July 29, 1958, 72 Stat. 426; Pub. L. 94-413, § 15(a), (b), Sept. 17, 1976, 90 Stat. 1270; Pub. L. 95-238, title III, § 311, Feb. 25, 1978, 92 Stat. 83; Pub. L. 95-401, § 7, Sept. 30, 1978, 92 Stat. 860; Pub. L. 98-361, title I, § 110, July 16, 1984, 98 Stat. 426; Pub. L. 100-685, title II, § 214, Nov. 17, 1988, 102 Stat. 4093; Pub. L. 106-391, title III, § 302(a), Oct. 30, 2000, 114 Stat. 1591.

In subsection (b), the words “in conformity with section 201(e)”, which appeared at the end of subsection (b), are omitted as obsolete. Section 201 of Public Law 85-568, as amended, which was classified to former section 2471 of title 42 (last appearing in the 1970 edition of the Code), established the National Aeronautics and Space Council, with the functions of the Council specified in section 201(e). Those functions included advising the President “as he may request” with respect to promoting cooperation and resolving differences among agencies of the United States engaged in aeronautical and space activities. The words are obsolete because section 3(a)(4) of Reorganization Plan No. 1 of 1973, set out in the Appendix to title 5, abolished the National Aeronautics and Space Council, including the office of Executive Secretary of the Council, together with its functions.

In subsection (c), the words “(as established by title II of this Act)”, which appeared after “Administration”, are omitted as unnecessary.

In subsection (d), the word “and”, appearing at the end of paragraph (8), is omitted as unnecessary because of the introductory words “one or more of the following”.

In subsection (b), in the matter before paragraph (1), the words “chapter 51 and subchapter III of chapter 53 of title 5” are sub-

stituted for “the Classification Act of 1949, as amended” on authority of section 7(b) of Public Law 89–554 (80 Stat. 631), the first section of which enacted Title 5, Government Organization and Employees.

In subsection (c)(2), the words “section 8141 of title 40” are substituted for “the Act of March 3, 1877 (40 U.S.C. 34)” on authority of section 5(c) of Public Law 107–217 (116 Stat. 1303), the first section of which enacted Title 40, Public Buildings, Property, and Works.

In subsection (c)(4), the words “in accordance with the provisions of chapters 1 to 11 of title 40 and in accordance with title III of the Federal Property and Administrative Services Act of 1949 (41 U.S.C. 251 et seq.)” are substituted for “in accordance with the provisions of the Federal Property and Administrative Services Act of 1949, as amended (40 U.S.C. 471 et seq.)” on authority of section 5(c) of Public Law 107–217 (116 Stat. 1303), the first section of which enacted Title 40, Public Buildings, Property, and Works.

In subsection (e), the words “subsections (a) and (b) of section 3324 of title 31” are substituted for “section 3648 of the Revised Statutes, as amended (31 U.S.C. 529)” on authority of section 4(b) of Public Law 97–258 (96 Stat. 1067), the first section of which enacted Title 31, Money and Finance.

In subsection (i), the words “maximum rate payable under section 5376 of title 5” are substituted for “rate for GS–18” because of section 101(c) of the Federal Employees Pay Comparability Act of 1990 (enacted by § 529 of Public Law 101–509, 5 U.S.C. 5376 note).

In subsection (k)(1), the words “section 1302 of title 40” are substituted for “section 321 of the Act of June 30, 1932 (47 Stat. 412; 40 U.S.C. 303b)” on authority of section 5(c) of Public Law 107–217 (116 Stat. 1303), the first section of which enacted Title 40, Public Buildings, Property, and Works.

tration Authorization Act, 1985 (Public Law 98–361, 98 Stat. 426). Section 102(d) of Public Law 85–568 is restated as section 302(d) of title 51.

In subsection (d)(3), the words “without regard to the date on which the Administration entered into the waiver” are substituted for “without regard to whether it was entered into before, on, or after the date of enactment of this Act” to avoid an ambiguity in the law. Literally, the words “the date of enactment of this Act” mean July 29, 1958, the date of enactment of Public Law 85-568. However, the intended meaning of the words “the date of enactment of this Act” is probably October 20, 1999, the date of enactment of Public Law 106-74. The question as to which date is actually intended is rendered inconsequential by the words “before, on, or after”.
